Basic Vocational/Professional Training Unit

General preparedness cycle

Special preparedness cycle

Training Center

Citizens of the Republic of Armenia under the age of 30, who hold a secondary education certificate and have done compulsory military service (for male applicants), as well as possessing personal qualities, health condition and physical preparedness that allow to perform police duties, are eligible to apply for the basic vocational training program with the qualification of “Police NCO”. The overall duration of the programs is 3 and 6 months.

Main objectives for organizing and implementing the educational process at the Training Center are:

meeting an individual's demand for professional education and qualification in accordance with the state educational standards

ensuring the development and increase of overall level of preparedness of police officers involved in refresher courses, and students involved in professional training.

The Training Center also offers:

Qualification raising courses for entry-level police officers

Based on the vocational education program, off-budget courses with the qualification of “Security Guard” and “Bodyguard” designed for private organizations and civilians

Off-budget special training courses designed for the employees of organizations carrying out special statutory duties.

ADMISSIONS COMMITTEE

In order to coordinate the admissions process, an admissions committee is formed in accordance with the order of the Chief of Police, comprising 7 members, 3 of them being police representatives and 4 of them being representatives of governmental and non-governmental or international organizations.

Faculty of Training and Attestation

1. Offers refresher courses for acting police officers having the following goals:
 - improving professional skills of acting police officers
 - implementing best practices
 - building practical skills
 - raising awareness on new legislation, government decrees, Police Chief's orders and amendments made therein
 - achieving operational objectives in a timely and accurate manner
2. According to the Armenian Law on Police service, police officers holding managerial, senior-level and mid-level positions are liable to compulsory training every 5 years and officers in the special civil service every 3 years.

Target audience of the Faculty of Training and Attestation
